S-board 840 Design USB

compact keyboard

Lightweight, thin and compact

The S-board 840 is a compact ergonomic mini keyboard for use with laptop and desktop PCs.

This keyboard has conveniently placed navigation keys, an integrated numeric pad, a larger enter key, and two USB ports.

A compact keyboard does not have a numeric pad. For this reason, the mouse can be placed closer to the keyboard. Research has shown that 90% of keyboard users seldom if ever use the numeric pad.

Handy: comes with multimedia keys and 2 USB ports (USB hub).

....

Optimal layout: extra wide space-bar and user-friendly positioned arrow keys.

....

Ergonomic: pleasurable typing feeling (scissor mechanism instead of membranes).

....

Mobile: only 2 cm thick and lightweight.

....

Extending: can be extended with a complementary numeric keyboard (number pad).

....

Lay-outs: US, UK, DE, BE, FR, SwGe and more
