

HAG CREED

ENHANCED PERFORMANCE.

HAG Creed brings movement and variation to the workplace. Their aim was to create an ergonomic chair that stimulates intuitive and natural movement of the body whilst promoting various sitting postures thought the day leading to improved health and productivity – something that they achieved.

FEATURES (Selected models only)

- The HÅG SwingBack™ armrests have been redesigned to be squarer and more clean-cut, yet still enable a smooth transition between different positions.
- Powered as always by the HÅG in Balance® movement mechanism, the HÅG Creed instinctively follows every postural shift you make, no matter how slight
- The ingenious “4-in-1” adjustment wheel allows you to easily personalise the HÅG Creed by regulating the seat depth, backrest height and tilt-resistance, all in one simple movement.
- 10-year guarantee,
