

RH Logic 400

ENHANCED PERFORMANCE.

The RH Logic 400 is perfect for both remedial and preventative back care solutions. Based on the unique 'two-point principle' of upright posture and active sitting, the chair improves breathing and circulation and stimulates the muscles.

FEATURES (Selected models only)

- The backrest angle can be adjusted separately as needed in order for you to always sit comfortably with good support.
- The lumbar support provides additional support for the lower back.
- Seat, height and depth is adjusted by a few simple hand movements. The controls are easily accessible while seated.
- Castors are available in different variants for both hard and soft flooring.
