

SIGNATURE

EXPERTLY CRAFTED

MEETING TABLE

Frem's signature meeting tables promise to impress with their distinctive, sleek and contemporary design. With a hand-crafted premium feel, these eye-catching pieces offer style as well as durability, making them a perfect option for client and board meetings.

The stunning meeting tables come with a 26mm thick veneer top and either a square or reverse chamfer edge, tapered solid wood splayed legs, and an attractive metal detail as standard.
