

Dōni

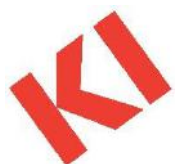

Celebrating colour and comfort

Doni's 17 degrees of hip and body-conforming curves deliver optimal comfort and lets you embrace Active Design by encouraging movement throughout the day. Doni works anywhere – destination spaces, blended spaces, third spaces, learning spaces, and more. Unlimited colour choices let you make a statement and create branding opportunities for colleges, universities, corporations and more.

- Solid colour or two-tone colour options
- Custom colours based on pantone reference available
- BIFMA tested: ANSI/BIFMA x5.1

Designed by Giancarlo Piretti.
