CREATING EFFECTIVE WORKING ENVIRONMENTS

TASK SEATING  
SIFT®

# Sift® - comfort & dependability

A global task chair solution for today's international organisations

Available on short lead times all over the world, Sift® is remarkable for its style, comfort, and support. A full-function task chair, it caters to individual seating preferences, offering synchro-tilt, lumbar adjustment, seat slide and back lock. Its elegant backrest is made from *SoSoft* mesh - a breathable, supple, incredibly soft woven material.

## Softness

*SoSoft* mesh is woven of soft Italian thread and elastomer and conforms to your contours for amazing comfort.

## Comfort

The constant cooling effect of the mesh ventilation and built-in lumbar mechanism promotes a more comfortable, productive work day.

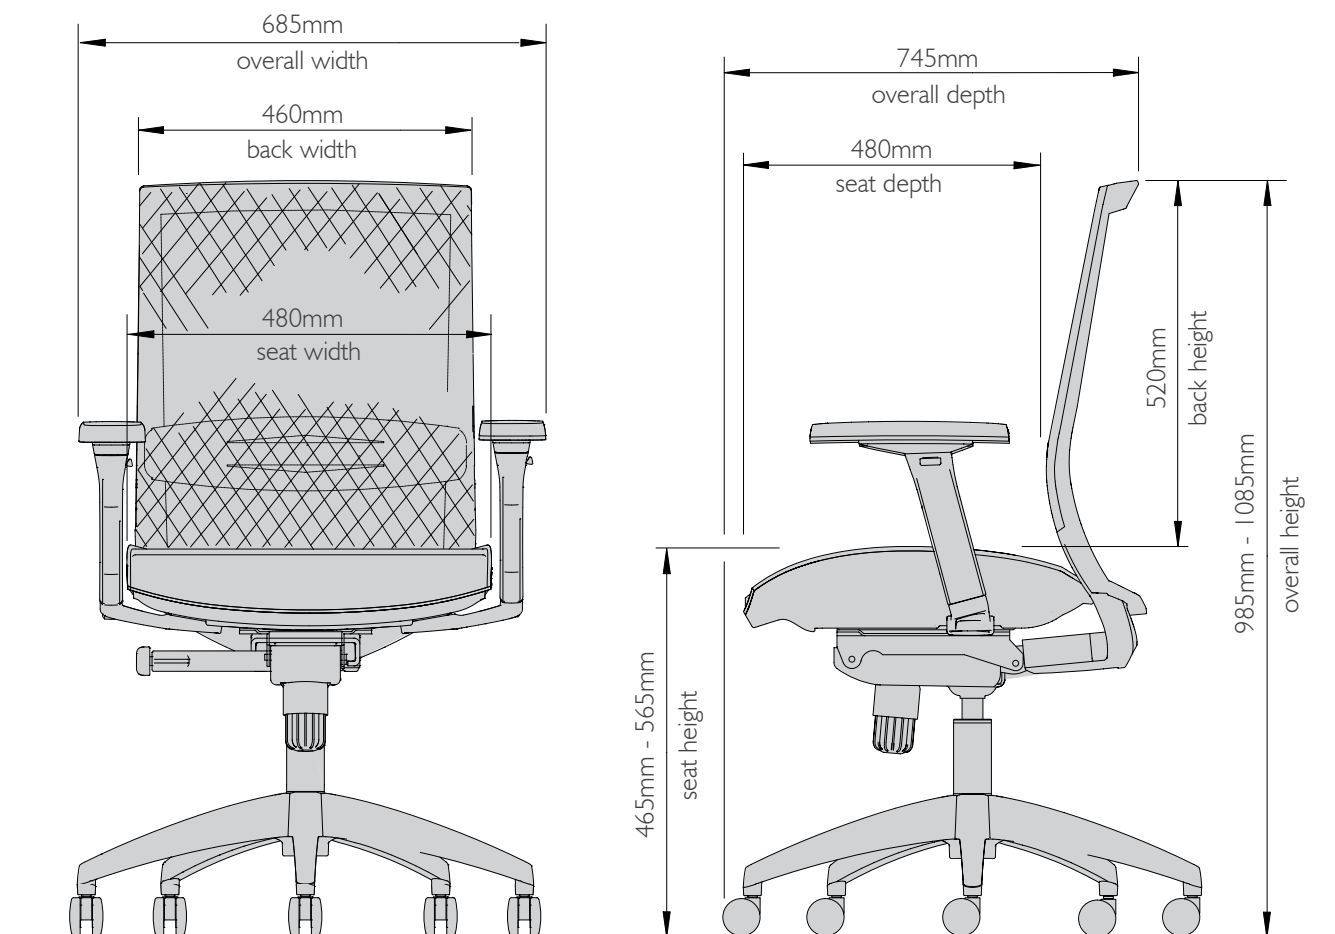

## Dependability

Sift® has test-proven durability and strength, passing KI's rigorous testing for bursting, tearing and cleanability.

5 year warranty\*

\* *SoSoft* mesh and seat fabric - 3 year warranty, moving parts - 1 year warranty
