# PLUTO PLUS.

## ENHANCED COMFORT

Pluto Plus is designed to deal with demanding work environments.

A fully synchronised mechanism allows the seat to be frequently and easily reconfigured without compromising comfort.

### GOOD TO KNOW

Pluto Plus can be left in free-float to encourage user movement and promote good back health

## AT A GLANCE

The fully synchronised mechanism provides a synchronised tilting action where the seat and back recline together. This reflects the natural geometry of the way the body moves, providing fluid ergonomic support.

1. High back
2. Multi-functional arm pads
3. Height adjustable arms with fold down feature
4. Height adjustable ratchet back
5. Integrated seat depth adjustment
6. Weight controlled fully synchronised mechanism with multi-position back lock

## BASE FINISHES:
